

Jones Falls Loop

(38 kilometres)

The following are directions for a self-guided bicycle tour. It is a loop that takes in the beautiful lockstation at Jones Falls, the villages of Elgin, Philipsville, Delta, Lyndhurst and Morton. Sights include the Old Stone Mill Museum in Delta, the historic Lyndhurst Bridge and lovely rural scenery. Depending on your skill (stamina) as a bicyclist, for the average bicyclist, this is a very easy day ride. Please note that the kilometre distances are only approximate, they have been measured off a map. All the roads are paved.

Please note: some of the county roads have narrow, sandy shoulders (unbikeable) and there may be some truck traffic from local quarries.
